

RUUD INDOOR AIR QUALITY PRODUCTS

Whole-House Electronic and Media Air Cleaners

Breathe easy...

Improving the air in your home comes in two easy choices – electronic or media filtration. The Whole-House Electronic and Media Air Cleaners were designed to fit any Ruud central heating and cooling system. This exact-fit design maximizes filtration allowing your Ruud total home comfort solution can make the air in your home cleaner and more comfortable. Both air cleaners provide the most advanced filtration solution for removing dust, pollen and pet dander, to name a few, and to make sure cleaner air is circulated to your entire home. Your choice: Whole-House Electronic or Media Air Cleaner from Ruud.

Ruud Whole-House Electronic and Media Air Cleaners

Part of Your Ruud Total Home Comfort Solution

The Ruud Whole-House Electronic Air Cleaner works by placing a charge on airborne particles, and then collecting them like a magnet. Maintenance is a breeze – simply wash the collection cells in your dishwasher or sink.

Ruud Electronic Air Cleaners

Traps and Filters – Reduces pollutants, such as dust, smoke, smog particles, mold spores and pet dander, from the air passing through your heating and cooling systems.

No replacement needed – Air cleaner cells require only periodic washing. LED indicator reminds you to wash filter cells.

Three Stage Filtration – System includes pre-filter and post-filter for more efficient filtration. Optionally installed pre/post filters require replacement.

5 – Year Limited Warranty

Ruud Electronic Air Cleaners

Part Number Description

RXIE-A14A 16x25 120V, 60 Hz, 1400 CFM Pre Filter and Post Filter Included for Enhanced Filtration

RXIE-A20A 20x25 120V, 60 Hz, 2000 CFM Pre Filter and Post Filter Included for Enhanced Filtration

Ruud Media Air Cleaners

Traps and Filters – Reduces major pollutants, such as dust and pollen, from the air passing through your heating and cooling systems.

4" Deep-Pleat Filters – With filters that perfectly fit the media cabinet, surface area is maximized allowing filters to last up to one year reducing replacement changes.

Exact Fit System – Cabinets are an exact-fit system solution to your Ruud heating equipment providing quick installation by your HVAC professional.

Two Levels of Efficiency - Available in both MERV 13 and MERV 10 models.
